Call Committee Kick-off The Call Committee held its kick-off meeting on April 1st. They will now begin work on the Ministry Site Profile which is a brief but comprehensive document that captures the essence of our congregation. It contains basic information like size of congregation, demographics, worship attendance, financial information, etc. More importantly, it looks at our congregations' perceived strengths, weakness, challenges, and needs. A well written Ministry Site Profile clearly and honestly portrays the church and assists in finding the best candidate to fill our leadership role. You, the members, will be asked to provide input into developing the Profile over the next few weeks.
